

Minimum cage sizes per country

Below you'll find a table of countries and their minimum cage sizes. We can't possibly find them all, so if you miss a country and know the minimum recommended cage size, please do let us know!

Country	Minimum cage size	Notes
Netherlands	100 x 50 x 50 cm	APH are banned since 2021.
Germany	150 x 50 x 50 cm	According to animal housing regulations
Denmark	100 x 50 x 50 cm	Varies per breeder, verify up front.
USA	3 x 2 ft	Varies per breeder, verify up front.
South Africa	100 x 60 x 50 cm	As per South Africa's Hedgehog Breeder Association
